The three bars of buildings make a narrow U-shape around three swimming pools that anchor the center of the gardens with ample off-street parking at the open end. There's a common laundry room with ample washers and dryers for you or your tenants to use in the rancho at one end. The covered rancho has a table and seating, refrigerator, and microwave. Start grillin' and chillin' poolside with your fave kabobs, burgers, chicken, steaks - whatever!

The Sweet Dreams apartment project has a total of 68 units and is located in Ocotal about half-way between El Coco centro and Ocotal beach. It's an easy bike ride of golf cart ride in either direction to the
