This unit comes with booked rentals allowing you to begin realizing a return on your investment immediately!

around which much of the social life here centers. It's a very quiet community with many owners living on site.

Vista Hermosa R3 – Villa Roberto

Unit R3 – a.k.a. Villa Roberto – is on the second floor and has a balcony where you can sit in a lounge chair with a cold tropical drink and enjoy a partial ocean view of the Pacific ocean. The open floor plan is well lit with natural light and blends kitchen, living, and dining spaces together. Bedrooms are private and bright with windows facing the parking area. A stackable W/D makes cleaning and drying your clothes from the beach a cinch.

Water supply is currently private but AyA water availability has been granted and hookup approved. HOA's are \$135/month with an additional charge for private water until AyA can install the water meter at the street. You can be from baggage claim at Guanacaste International Airport (LIR) to the beach in 25 minutes!

This is a great opportunity to get your foot into Costa Rica at a great price!
